DETAILED ACTION

Information Disclosure Statement

1. The Examiner notes that the IDS filed 27 November 2006 had several typographical errors. It appears that an optical character recognition program was used to file out the form, which resulted in several listed patents to end in 81 instead of B1. Despite these errors the Examiner was still able to consider the cited patents.

Entry number 19 in the IDS seemed to be a duplicate of entry 25, but with the wrong publication date, this entry was not considered.

Allowable Subject Matter

2. Claims 1-16 are allowed.

Response to Arguments

3. The following is an examiner's statement of reasons for allowance:

4. Applicant's arguments, see pages 10 and 11 of amendment, filed 21 November 2006, with respect to claims 1-16 have been fully considered and are persuasive. The 35 U.S.C. 103(a) rejection of claims 1-16 has been withdrawn.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Joseph D. Manoskey whose telephone number is (571) 272-3648. The examiner can normally be reached on Mon.-Fri. (7:30am to 4pm).
